STEF SHOCK FINE ART

You have the option to go to your framer or I can provide you with a frame. so when you receive your piece, you can immediately hang it on your wall...

METAL

The floating frame style is very popular and matches well with this series. I order metal frames, assemble them and attach them to the piece. Estimate of pricing is...

12 x 12 \$70	36 x 36 \$200
36 x 48 \$250	50 x 50 \$350

12 x 12 is the smallest frame for this frame

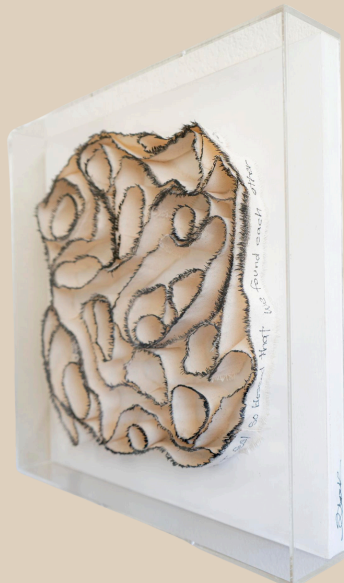

WOOD

The floating frame style is very popular and matches well with this series. My team includes carpenters so we can stain these in a multitude of shades and build them in even larger sizes. Estimates of pricing is...

12 x 12 \$125	36 x 36 \$280
36 x 48 \$350	50 x 50 \$550

12 x 12 is the smallest frame for this frame

SHADOWBOX

Shadowboxes are made of acrylic plexiglass. They are durable and UV resistant. I don't ship these frames larger than 25 inches and it's to your advantage. It saves you substantially more money to use a framer or plastics company in your neighborhood. I can advise you through that process and send the piece directly to whoever you choose. I do this often.

6 x 6 \$70
25 x 25 \$260
